

Amr M. Moursi, D.D.S., Ph.D. is Professor and Chair of the Department of Pediatric Dentistry at the New York University College of Dentistry and on the Medical Staff at the New York University Langone Medical Center and the Bellevue Hospital Center in New York.

Dr. Moursi completed his D.D.S. degree at the University of Michigan School of Dentistry, a pediatric dentistry residency at Children's Hospital of Pittsburgh and then a Ph.D. in Craniofacial Biology from the University of California at San Francisco. He is a board-certified Diplomate of the American Board of Pediatric Dentistry and a Fellow of the American Academy of Pediatric Dentistry (AAPD).

For the AAPD, Dr. Moursi currently serves on the Executive Committee as the Secretary/Treasurer, as a Fellow of the Pediatric Oral Health Research and Policy Center, Director of the Comprehensive Review Course, on the Editorial Board of the *Journal of Dentistry for Children*, and also as a National Spokesperson. He has received the Merle S. Hunter Leadership Award, and been selected for the AAPD Leadership, and Advanced Leadership Institutes.

In his other service activities Dr. Moursi serves as an Examiner for the Royal College of Surgeons in Ireland and as a consultant to both the New York State and New York City Departments of Health. He is also a co-author for the 2020 US Surgeon General's Report on Oral Health.

Dr. Moursi's research focuses on early childhood oral health. He has served as Principal Investigator on a number of federally-funded projects including grants from CMMI, HRSA and NIH. He is the author or co-author of over 100 published articles, book chapters and policy briefs. He is also Editor of the textbook "Clinical Cases in Pediatric Dentistry" (Wiley-Blackwell). Dr. Moursi has been an invited speaker at numerous state, national and international conferences and universities with presentations on variety of topics including Behavior Guidance, Early Childhood Oral Health, and Oral Health for Patients with Special Needs.

Dr. Moursi is Host of the Dental Health Show on Doctor Radio, SiriusXM satellite radio, and he and his department have been featured on NBC's Today Show, ABC's Good Morning America, CNN Headline News, Inside Edition, and on local New York City television and radio news programs, as well as several New York City newspapers.

In addition, Dr. Moursi has led teams of NYU faculty and students to provide pediatric dental training, education and care to underserved areas around the world including Tanzania, Nicaragua, Alaska, northern Maine and upstate New York. He also maintains a private practice in New York City.
