

Angus Cameron

Angus Cameron is a specialist paediatric dentist. He worked at Westmead Hospital in Sydney for over 30 years, heading the Department of Paediatric Dentistry and Orthodontics at Westmead for over 18 years. Angus is currently a Clinical Associate Professor at the University of Sydney and holds teaching appointments at the University of Newcastle and Charles Sturt University. He is a fellow of the Royal Australasian College of Dental Surgeons, the Royal College of Surgeons of England, the International College of Dentists. Angus has lectured extensively throughout Australia and internationally and is the co-editor of the *Handbook of Pediatric Dentistry* to be published in its 5th edition and translated into 7 languages. Now, predominately in private practice, his main interests are in the management of children with dental anomalies, paediatric oral medicine, trauma and particularly those with special needs.
